

Rhyming Poetry

****Remember**** rhyming words are words that sound the same, typically at the end of the word.

Example of a Rhyming Poem

A Note to the Moth Who Ate My Sweater

I hope that you are feeling better
now that you are full of sweater.
But, frankly, don't you think it's rude
to use my clothes as common food?
I'd rather share my bread and rolls
than deal with sweaters full of holes.
The next time you intend to dine
on sweaters that are clearly mine,
I must insist -- call you to task --
don't take a bite unless you ask.
By now, I think you surely know
the answer is a big, loud,
NO!
